

NED JELLY'S CROSSWORD

Complete the crossword puzzle by matching the words with the clues below.

If you need help, check out the Words To Know on the website at Project-GO.com.au.

Across

3. Waste from your garden like grass, leaves, small branches, sticks, palm fronds and weeds.
6. A big hole in the ground where our general waste gets buried.
7. Nature's way of breaking down things that are no longer alive.
8. A mix of garden organics and kitchen scraps. It can be used to improve soil and helps plants grow.

Down

1. To use something again.
2. Things we take from the environment to use like trees, minerals and water.
4. The process of turning waste into new things.
5. When things contaminate or dirty our environment.
