

THINK BEFORE YOU THROW!

Queensland generates over 10 MILLION tonnes of waste every year.

If we don't sort our waste correctly, most will go straight to landfill!

WHAT GOES IN THE BIN

RED LID General Waste:

Non-recyclable items like disposable coffee cups, plastic bags, and food scraps should go in the **general waste bin**.

YELLOW LID Recycling:

Recyclable items like paper, soft drink cans and glass bottles should go in the **recycling bin**. Items should be loose and clean.

GREEN LID GO (Garden Organics):

Natural materials from your garden like grass clippings, leaves and weeds should go in the **garden organics bin**.
